

*What is God's path for me?*

*Am I called to be single?*

Singles struggling on their path toward God will find much hope and direction in this book. Whether God calls you to the religious life, marriage, or to remain single, author Mike Szczesny points out that you are never alone.

*Single with God: Why am I still single?* is a story of one man's journey filled with twists and turns, peaks and drops. It is both a challenge to singles and a story of the single life.

The author understands what it means to struggle as a single person and to dwell on one's situation when experiencing loneliness and lack of purpose in life. *Single With God* helps light the path for singles on the roller coaster of life.

“...with God's help,  
I found myself where I am supposed to be.  
And I didn't see it coming!”  
~ author Mike Szczesny
